

PROFESSIONAL INSTALLATION

1604 N. Illinois Swansea, IL 62226 | 618-236-7766
www.windooronline.com

WINDOOR INSTALLERS ARE . . .

Professional & Insured - Every installation team is backed by Windoor and fully insured.

Certified - Windoor's installers have been fully trained and certified by the AAMA (American Architectural Manufacturers Association). They are also EPA/HUD Certified Lead Safety Renovators.

WINDOOR INSTALLATION INCLUDES *(at no extra cost)*

Removal of existing windows and/or doors

Interior Trim - Removal & replacement of existing mouldings if necessary, or the installation of any new mouldings you have purchased.

Exterior Trim - Complete trim wrap in maintenance-free aluminum coil stock that matches your new windows.

Cleanup - Complete cleanup inside and out of all debris created by the project.

Disposal - Haul away of all debris and old windows or doors.

WINDOOR PROVIDES . . .

Warranty - Full manufacturer warranties PLUS one-year Windoor labor warranty.

Local Support - Windoor services everything* they sell. No subcontracting and no out-of-state 800# to call if you have a problem.

Custom Sizes & Shapes No Problem - Windoor specializes in what others consider "special"

High Quality - Simonton vinyl windows are routinely rated "*Highest in Builder and Remodeler Satisfaction ...*" by J.D. Powers & Associates.

Choices - Eagle wood/aluminum clad windows (an Andersen Company) are available in 50+ colors, several grill profiles, dozens of grill patterns. Simonton & other vinyl windows offer many interior and exterior finishes, grill and glass options. Almost all will qualify for available Energy Tax Credits.

* Garage door service is provided by the product vendor
