

Thank you. We are please you have considered Windoor for your project. Hopefully our proposal has included all of your needs. If not, please let us know. In the meantime, we would like to remind you of the many options available to you at Windoor.

Here is a listing of some of the additional products and features we invite you to consider. Some of these options are highly recommended by our entire staff. If you have questions regarding any of these options, please call and we will furnish additional information along with pricing.

Did we mention . . .

- Entry Doors:**
- Weather Resistant and/or maintenance-free jambs will offer years of maintenance free beauty and greatly extend the life of your door. **(Recommended)** From the very affordable DuraFrame Jamb with a lifetime no-rot warranty to the stylish aluminum clad jamb available in several prefinished popular colors.
 - Optional paint grade fiberglass doors, or stainable fiberglass with the look of real oak or mahogany.
- Interior Doors:**
- Choose from many popular hinge finishes to match your hardware selection
 - Several casing selections to frame your new doors
 - More than 15 standard prefinish choices and an almost endless selection of custom finishes
 - Many species of stainable wood and more than a dozen paint grade doors by Masonite & others
- Hardware:**
- Lots of choices in finish and design from several quality manufacturers
- Clad Windows & Patio Doors:**
- More than 50 exterior color choices
 - Several interior wood species and finishes
 - Design choices in glass and a variety of grill styles and profiles
 - Stylish hardware selections
- Vinyl Windows & Patio Doors:**
- Energy saving insulated glass packages with varying combinations of Low 'E' Coating, Argon Gas Insulation, Double and Triple Glazing, and the hi-tech "Super Spacer" **(Recommended)**
 - Grill choices in pattern, profile, and size
 - Finish choices - White of course, but Tan is an option with any window choice, and Driftwood can be ordered on many models
 - Window Bucks - A little known option to finish off the interior of your window opening. Premade (prefinished option) extension jambs with your choice of casing already applied. They simply install in and around your window opening to add a rich warm appearance to your room.
- Stair Parts:**
- Our large selection of stair parts in a variety of wood species and fashionable wrought iron balusters
- Columns:**
- Our tremendous selection of columns for interior or exterior use. All available in wood, aluminum, fiber-glass and composite material
- Interior Trim:**
- Stain-grade wood species and paintable mouldings from floor to ceiling
 - Factory made interior arch doorways that can turn your home into a palace
- Exterior Trim:**
- Everything from maintenance free shutters to prefabricated archways and beautiful mouldings for the perfect finishing touch to the exterior of your home
- Scapewells:**
- Beautifully designed maintenance free egress window well systems **(Recommended)**
- Storm Doors:**
- Prefinished and stylish maintenance free aluminum by Gerkin and Midwest
- Garage Doors:**
- Prefinished Insulated, non-insulated steel or unfinished wood. Designs from the traditional to the popular carriage house style
- Skylights:**
- Maintenance free aluminum skylights and sun-catching tunnels from Velux, ODL, and SolaTube
