People Love Living with Laminate

Laminate: Girona Beach 4896K-01
Sink: Double Equal HD510, True White

Laminate is fun, it's affordable, it's easy to live with, and it looks terrific. And no matter what your budget or style, you will find a product to fit your needs in the Wilsonart® Laminate portfolio. New technology and design advances that are ours alone help you create a countertop that is yours alone — a countertop you'll love to come home to every day.

Laminate shown on cover: Medallion 1846K-35.

Laminate countertops are famous for easy care. While other homeowners see everything — butter, tomato sauce, coffee, grape juice — as a stain about to happen, you can relax with laminate. And whatever pattern and color you choose, the beauty will be yours at a price you can celebrate. Even more exciting, a new Wilsonart Laminate countertop, all by itself, can transform your kitchen without major remodeling.

More **Durability** & **Beauty**

Now standard on all Wilsonart® HD® and Premium designs, new AEON™ Enhanced Performance technology means that many Wilsonart Laminates are dramatically more durable – up to four times more wear resistant than traditional laminate, and five times more scuff resistant – for a countertop that keeps its good looks longer.
